Rebuttal to Argument Against Measure Z
Portola Valley School District

Don't let the lone opponent fool you. He submitted nearly identical arguments against almost every school measure in San Mateo and Santa Clara counties. He lives in Morgan Hill—not even in our community or county. He certainly doesn't understand our schools.

As local residents and community leaders, we recognize the importance of Portola Valley schools and know that Measure Z is needed.

Here are the facts:

- Our classrooms and school facilities are 30 to 60 years old and need essential improvements to ensure student safety and support a high-quality education.
- A lot has changed since our schools were last updated. Preparing students for the 21st century requires updated science labs, classrooms and facilities that meet today's standards.
- The District will not finance short-term technology with long-term bonds. Instead, Measure Z will make critical repairs and upgrades to support quality education.
- Measure Z is a modest measure that addresses the most urgent needs facing our schools. It is the result of two years of planning and seeking input from community members.
- Local control and accountability are required. Funds can only be spent on projects specified in the project list that is printed in your voter pamphlet. Take a look for yourself.

We all benefit from living in a community with high-performing schools that are among the best in the state. Measure Z ensures our schools are safe and can support the high-quality education our Portola Valley and Woodside students deserve.

Join our trusted local leaders and vote YES on Measure Z.
