REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE II

The argument in favor of Measure II **omits critical facts!** Millbrae should not borrow so much.

Millbrae **has** funding for a replacement Community Center from the **insurance alone**.

The California Policy Institute has published that the California city with the highest pension burden, percentage-wise is **Millbrae**. Millbrae contributes a whopping 59 cents to CalPERS for every dollar in wages. Millbrae officials, who need more expertise in accountancy and actuarial science, claim they kept costs down by contracting services. This did not make the pension problems go away because the rising cost of pension obligations are indirectly passed through both their Central County Fire and San Mateo County Sheriff's contracts. To issue **even more debt now** is flat out **fiscally irresponsible**.

Does spending 59 cents for every dollar you hand to Millbrae sound like a fair deal? Can you afford to continue to **"bail out"** a city that engages in endless rate hikes, a perpetual fire assessment, and yet **can't apportion a penny towards keeping downtown clean on a regular basis?**

Measure II claims to provide "affordable recreation programs", yet the City cannot properly show how Millbrae itself can afford these "affordable programs". Millbrae recently provided support and waivers to Self-Help for the Elderly yet required no statistics to see if the senior lunch program **actually serves Millbrae residents**.

Stop being an **ATM MACHINE** to Millbrae City Council. They have demonstrated in 10+ years absolutely no restraint in spending from **ice rink proposals** to **luxury garbage cans**.

VOTE NO ON II to restore **sanity** to Millbrae's finances. **Enough is enough!**
