Rebuttal To Argument Against Measure U

It's a shame that rigid ideologues—living outside Jefferson Elementary School District—are misleading voters to the detriment of local students. These naysayers submitted similar arguments against every school measure in San Mateo County/full of mistruths and distortions!

Voters in Jefferson Elementary School District value children and their safety! Measure U will provide safe, secure school environments for our youngest students to learn and thrive! Making safety upgrades, and finding methods to retain and also attract qualified teachers is critical to Jefferson Elementary School District's long-term success.

Vote YES on Measure U to:

- Replace broken fences - establish secure boundaries around schools
- Repair playing fields and dilapidated school yards
- Improve student drop-off zones, reducing traffic accidents
- Maintain reduced class sizes
- Attract, retain highly qualified staff
- Provide high-quality, safe learning environments for current and future students

Measure U has strict accountability requirements ensuring local funds are used for our students.

Measure U requires:

- All funds raised are controlled locally to support Jefferson Elementary School District facilities and cannot be taken away by the State
- Independent citizen oversight and annual audits ensure Measure U completes voter-approved projects. Promises kept.
- All funds spent for our local students, none can be used for administrator salaries

Measure U continues improving Jefferson Elementary School District - and we know that improving our schools makes our community a more desirable place to live, do business, and raise a family.

Join community leaders, concerned residents and local businesses to protect students, provide safe/secure schools and ensure qualified staff to teach them.

Unite For Kids - Vote YES on Measure U!
