OFFICE OF
**ASSESSOR-COUNTY CLERK-
RECORDER & ELECTIONS**
COUNTY OF SAN MATEO

MARK CHURCH
CHIEF ELECTIONS OFFICER &
ASSESSOR-COUNTY CLERK-RECORDER

Summer to Fall 2020

Dear Candidate:

I commend you for your decision to seek public office. The success of our democratic system relies on citizen involvement, both at the ballot box and the rostrum. To participate as a candidate is to commit your time and energy to your community, and this invaluable contribution is deserving of our respect and support.

As a candidate for office, you are now responsible for the legalities of candidacy, campaigning and financial reporting. The process can be confusing, even for the most seasoned candidates.

We have developed this Candidate Guide, and we will hold two online Candidate Seminars, to help you understand your responsibilities and resources in the November 3, 2020 Presidential General Election. I highly recommend that you attend one of these online seminars. Even if you have run for office before, these briefings will ensure your understanding of current laws, forms, reporting rules and campaign management tips. Immediately following each Candidate Seminar, we offer a seminar on Voter Data. This session will inform you on what data is available and how to obtain it.

Candidate Seminars (choose one session)

10 a.m., Wednesday, July 8, 2020
2 p.m., Thursday, July 23, 2020

Voter Data Seminars (immediately following the Candidate Seminars)

11:30 a.m., Wednesday, July 8, 2020
3:30 p.m., Thursday, July 23, 2020

In addition to the seminars, our website has an abundance of useful information, including an election calendar, "how to request" voter file data, an electronic copy of this Candidate Guide, the specific requirements and steps for including voter registration and/or Vote by Mail information in your campaign materials, Vote Center lookups and voting options for voters. Please explore it at www.smacre.org.

In light of the COVID-19 pandemic, our office now offers electronic candidate filing to all candidates. I encourage all candidates to take advantage of this new and convenient filing method. I also urge all candidates visiting our office to practice social distancing to maintain the health and safety of all.

Lastly, I feel privileged and honored to serve you in my capacity as your Chief Elections Officer. My office is ready to answer your questions and provide assistance. I encourage you to direct your questions regarding candidate filing to our Candidate Services Lead Representative Michelle Yue at 650.312.5293 or myue@smacre.org.

Sincerely,

Mark Church

COVID-19 and Electronic Candidate Filing Option

Background

In light of COVID-19 and the stay at home order issued by the Governor, the Secretary of State's office has issued guidelines allowing counties to issue and receive candidate filing documents electronically. Although our office continues to offer in-person filings, we strongly encourage candidates to take advantage of the new electronic filing option to maintain the health and safety of both candidates and elections staff during the COVID-19 pandemic. City candidates should check with their City Clerk's office for electronic filing options.

Receiving Candidate Filing Documents Electronically

1. Candidates need to provide our office a written request to receive candidate filing documents electronically by using the County's Candidate Registration Form. The Candidate Registration Form can be downloaded on the County's website www.smcacre.org or be requested by phone or email.
2. Upon receiving the written request from the candidate and establishing the eligibility of the candidate, the Registration & Elections Division will email all candidate filing forms to the candidate in fillable PDF format.

Completing Candidate Filing Documents

1. Once the candidate has received all the filing forms via email, our staff will assist the candidate with filling out each form by an online video conference tool or by phone.
2. Any documents that require an oath by candidates may be executed in the presence of the County Elections Official via an online video conferencing service. The oath CANNOT be done by phone. If candidates do not have the technical ability to do so, candidates may go to a notary or visit the Registration & Elections Division to take the oath in person.

Returning Candidate Filing Forms

1. Upon completing all the filing forms, candidates should provide electronic signatures on all forms before emailing the forms back to our office.
2. **IMPORTANT:** Candidates MUST print all the completed filing forms, sign each form, and mail or drop off their completed hard copy documents with original (wet) signatures to the Registration & Elections Division by the close of the Candidate Filing Period of August 7, 2020 or August 12, 2020 for extended offices.

If the County Elections Official does not receive the completed documents with original signatures from the candidate by the filing deadline, the candidate will NOT be considered qualified, and his or her name will NOT be on the ballot.

Visiting the Election Office and Social Distancing

We strongly encourage candidates to practice social distancing when working with the Registration & Elections Division staff in person and ask that candidates take the following steps:

1. Make an appointment before coming to the Registration & Elections Division to file documents or take the oath.
2. You must wear a mask and practice social distancing rules when visiting the Registration & Elections Division.
3. Do not come to the Registration & Elections Division when having flu-like symptoms. Candidates with flu-like symptoms should choose the electronic filing option.

COVID-19 and Electronic Candidate Filing Option (continued)

4. Avoid the last day crowd. Our office traditionally had many candidates filing on the last day of the filing period. We strongly urge candidates to avoid the last day crowd. If candidates want to publish a candidate statement, please file early and do not wait until the last day.

The staff at the Registration & Elections Division sincerely appreciate your understanding and cooperation in our effort to make the candidate filing process safe for everyone during these extraordinary times. If you have any questions or concerns, please contact our Lead Candidate Filing Representative Michelle Yue at 650.312.5293 or myue@smcacre.org.

Qualifications by Offices

Generally:

Unless otherwise specifically provided, no person is eligible to be elected or appointed to an elective office unless that person is a registered voter and otherwise qualified to vote for that office at the time that Nomination Papers are issued to the person or at the time of the person's appointment.

EC §201

- (a) A person shall not be considered a candidate for, and is not eligible to be elected to, any state or local elective office if the person has been convicted of a felony involving accepting or giving, or offering to give, any bribe, the embezzlement of public money, extortion or theft of public money, perjury, or conspiracy to commit any of those crimes.
- (b) For purposes of this section, "conviction of a felony" includes a conviction of a felony in this state and a conviction under the laws of any other state, the United States, or any foreign government or country of a crime that, if committed in this state, would be a felony, and for which the person has not received a pardon from the Governor of this state, the governor or other officer authorized to grant pardons in another state, the President of the United States, or the officer of the foreign government or country authorized to grant pardons in that foreign jurisdiction.

EC §20

Specifically:

School District Governing Board Member

Any person, regardless of sex, who is 18 years of age or older, a citizen of the state, a resident of the school district, a registered voter, and who is not disqualified by the Constitution or laws of the state from holding a civil office, is eligible to be elected or appointed a member of a governing board of a school district without further qualifications. An employee of a school district may not be sworn into office as an elected or appointed member of that school district's governing board unless and until he or she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office.

ED §35107

County Board of Education Governing Member

Any registered voter is eligible to be a member of the county board of education except the county superintendent of schools, any member of his staff, or any employee of a school district. Each member of the board shall be an elector of the trustee area which he represents and shall be elected by the electors of the trustee area. In San Mateo County, trustees shall be elected at large (countywide).

ED §§1000, 1006

Notwithstanding any other provision of law, except as provided in subdivision (d), no person shall file nomination papers for more than one district office, including a county board of education office, at the same election.

EC §10603(c)

Special District Board Member

Candidate must be a resident and qualified elector of the district.

EC §201

Qualifications by Offices (continued)

City Offices

A person is not eligible to hold office as councilmember, city clerk, or city treasurer unless he or she is at the time of assuming the office an elector of the city, and is a registered voter of the city at the time nomination papers are issued to the candidate as provided for in Section 10227 of the Elections Code.
GC §36502(a)

City candidates must contact their City Clerk's office for more information regarding candidate qualifications.

Holding Two Offices

The 1999 San Mateo County Grand Jury recommended that all candidates be made aware that individuals cannot hold incompatible offices. If a candidate is elected to an office that is incompatible with the first office, the first office becomes vacant upon the taking of the second office.

This doctrine of incompatible offices precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “one individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” (*Eldridge v. Sierra View Local Hosp. Dist.* (1990) 224 Cal.App.3d 311, 319.)

Government Code Section 1099 provides detailed guidance on incompatible offices and specifies the defining characteristics:

Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

- (1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.
- (2) Based on the powers and jurisdictions of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.
- (3) Public policy considerations make it improper for one person to hold both offices.

A number of legal opinions issued by the Office of the California Attorney General offer additional guidance in determining whether or not certain offices are incompatible. Here are five examples of offices that the Attorney General’s Office has deemed to be incompatible:

- (1) the offices of city councilman and school district board member where the city and the school district have territory in common (*65 Ops. Cal. Atty. Gen. 606 (1982)*);
- (2) the positions of fire chief of a county fire protection district and member of the board of supervisors of the same county (*66 Ops. Cal. Atty. Gen. 176 (1983)*);
- (3) the offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district (*79 Ops. Cal. Atty. Gen. 284 (1996)*);
- (4) a water district director and a city council member where water district sets rates that indirectly affect rates charged to city (*85 Ops. Cal. Atty. Gen. 199, 200 (2002)*); and
- (5) a water district director and a school district trustee having territory in common (*73 Ops. Cal. Atty. Gen. 268 (1990)*).

Nomination Paper and Signature Gathering Guidelines

Nomination Paper Must be Filed Between July 13, 2020 and August 7, 2020

Nomination Papers are required for city candidates and some special district candidates. Candidates should contact their jurisdictions for the required number of nomination signatures. Special district candidates should obtain and file their Nomination Paper with the Registration & Elections Division. City candidates must file their paperwork with their City Clerk's office.

With a prudent regard for strict deadlines and eligibility requirements for signers, we strongly encourage candidates to proceed without delay in gathering signatures and submitting them with the required Nomination Papers. By filing in advance of the deadline, you will allow yourself time to gather additional signatures in the event that for Nomination Papers, you may need to obtain additional signatures based on the number that are disqualified during the examination of your papers.

Who is a Qualified Signer to a Paper?

Any registered voter may sign Paper for any candidate for whom he or she is eligible to vote. Each voter shall at the time of signing the Paper *personally affix* his or her signature, printed name and place of residence, giving street and number, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained.

EC §100

Voters May Sign Only One Paper per Open Position

No signer shall, at the time of signing a certificate, have his or her name signed to any other Nomination Paper for any other candidate for the same office or, in case there are several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled.

EC §8069

No more signers shall be secured for any candidate than the maximum number required. If, however, through miscalculation or otherwise, more signers are secured than the maximum number, the officer with whom the Nomination Papers are filed shall, with the written consent of the candidate, withdraw the excess number.

EC §8067

Who can circulate Nomination Papers?

A circulator must be 18 years of age or older. A candidate may serve as a circulator of the candidate's own Nomination Paper. If otherwise qualified to sign, candidates may also sign their own Paper, and the signature will be given the same effect as that of any other qualified signer.

EC §§102, 106

Papers Must Include Declaration of Circulator

(a) Where any paper is submitted to the Elections Official, each section of the paper shall have attached to it a declaration signed by the circulator of the paper, setting forth, in the circulator's own hand, the following:

- (1) The printed name of the circulator.
- (2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
- (3) The dates between which all the signatures to the paper were obtained.

Nomination Papers and Signature Gathering Guidelines (continued)

- (b) Each declaration submitted pursuant to this section shall also set forth the following:
- (1) That the circulator circulated that section and witnessed the appended signatures being written.
 - (2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.
 - (3) That the circulator is 18 years of age or older.
- (c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of the circulator's name. The circulator shall state the date and the place of execution on the declaration immediately preceding the circulator's signature.

EC §104

Circulating within 100 Feet of Polling Place

Signatures for Nomination Papers shall not be obtained within 100 feet of a polling place, satellite location or Elections Official's office on election day or at any time that a voter may be casting a ballot.

EC §18370

Registering Voters at Time of Signing Nomination Papers

Candidates may register voters at the same time as the voter signs the candidate's Nomination Paper. For purposes of verifying signatures on a Paper, a properly executed affidavit of registration shall be deemed effective for verification purposes if both (1) the affidavit is signed on the same date or a date before the signing of the Nomination Paper, and (2) the affidavit is received by the County Elections Official on or before the date on which the Nomination Paper is filed.

EC §2102(b)

Validation of Signatures

The County Elections Official shall verify the signatures and the political preferences, if required, of the signers on the Nomination Paper with the registration affidavits on file in the office of the County Elections Official. The County Elections Official shall mark "not sufficient" any signature that does not appear in the same handwriting as appears on the affidavit of registration in his or her office, or that is accompanied by a declaration of party preference that is not in accordance with the declaration of party preference in the affidavit of registration. The County Elections Official may cease to verify signatures once the minimum requisite number of signatures has been verified.

EC §8081

No defect in any nomination document presented shall prevent the filing of another nomination document within the period allowed for presenting the nomination document.

EC §8102

Nomination Papers and Signature Gathering Guidelines (continued)

The following guidelines will be used when validating signatures on Nomination Papers. A signature can be challenged if the signer:

- is not registered to vote;
- provides a signature that does not compare to the signature on the voter's affidavit of registration;
- does not reside in the appropriate district;
- uses a P.O. Box number for residence;
- omits his or her residential address;
- uses a mail drop number for residence address;
- provides an address that is different from the voter's residential address on the affidavit of registration on the voter's record;
- prints his or her name for the signature, unless registered as such;
- lists and signs his or her name using spouse's name, such as "Mrs. John Jones";
- uses ditto marks for an address previously listed.

A person shall not be considered a legally qualified candidate for an office, for party nomination for a partisan office, or for nomination to participate in the general election for a voter-nominated office, under the laws of this state unless that person has filed a Declaration of Candidacy or Statement of Write-in Candidacy with the proper official for the particular election or primary, or is entitled to have his or her name placed on a general election ballot by reason of having been nominated at a primary election, or having been selected to fill a vacancy on the general election ballot as provided in Elections Code Section 8807 or having been selected as an independent candidate pursuant to Elections Code Section 8304.

Support Your Ballot Designation Using Ballot Designation Worksheet

- (a) A candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.

- (c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate's name on the ballot.

- (1) A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
- (2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

Secretary of State's Regulations on Ballot Designation

The California Secretary of State has adopted regulations (Title 2, Division 7, Chapter 7 of the California Code of Regulations) relating to ballot designations for certain offices. The San Mateo County Elections Official has opted to refer to those regulations to provide guidance in addressing issues which arise relating to ballot designations for local offices; however, the San Mateo County Elections Official retains full discretion to interpret the regulations and to make decisions based on other considerations. The regulations are available online at www.oal.ca.gov/publications/ccr or at www.sos.ca.gov/administration/regulations/current-regulations/elections/ballot-designations.

WARNING: Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any declaration of candidacy in his or her possession that is entitled to be filed under the provisions of the Elections Code. (Elections Code § 18202.)

Other Forms

The entire set of official forms relating to becoming a candidate and operating an election campaign will be provided by the County Elections Official at the time of your candidate filing appointment. City candidates should obtain the appropriate forms from their City Clerk's office.

Ballot Designation Worksheet (*Required if the candidate chooses a Ballot Designation*)

As a supplement to the ballot designation indicated on a candidate's Declaration of Candidacy, a Ballot Designation Worksheet (in the form prescribed by the Secretary of State) is required of all candidates and must be filed at the same time as the Declaration of Candidacy. The Ballot Designation Worksheet provides verification and supporting information as to the validity of the candidate's proposed designation as well as alternate designations, should the Elections Official find the proposed designation to be invalid. If a candidate fails to file the required Ballot Designation Worksheet, no designation shall appear under the candidate's name on the ballot.

EC §13107.3

Code of Fair Campaign Practices (*Voluntary*)

The Legislature encourages every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

EC §20400

At the time an individual is issued his or her Declaration of Candidacy, Nomination Papers, or any other paper evidencing an intention to be a candidate for public office, the Elections Official shall give the individual a blank form of the Code of Fair Campaign Practices and a copy of Chapter 5, Division 20, of the Elections Code, which can be obtained at https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=ELEC&division=20.&title=&part=&chapter=5.&article=1.

The Elections Official shall inform each candidate for public office that subscription to the code is **voluntary**. The Elections Official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to the Code of Fair Campaign Practices is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the code.

EC §§20440 – 20444

Other Forms (continued)

Character-Based Name Form (Required) (New Law)

In San Mateo County, all election information that is provided in English about voter registration, elections and voting, including information provided in Vote Centers and the voting booths, must be provided in Chinese and Spanish to allow effective participation of all individuals in the electoral process and all voting-related activities.

Voting Rights Act, 52 U.S.C §10503

California has adopted new laws regarding candidates' character-based names which took effective January 1, 2020. Specifically, Section 13211.7 was added to the Elections Code to provide that:

“If a candidate has a character-based name by birth, that can be verified by birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration. A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate to the local elections official that the candidate has been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.”

Candidates should provide their character-based names on the Character-Based Name Form, along with supporting documents. Candidates without character-based names will automatically be given a phonetic transliteration of their names in Chinese.

Candidate Statement of Qualifications Form

Candidates should use this form as a cover when submitting a candidate statement. For more details, please see page 38.

During this period, any voter of the jurisdiction in which the election is to be held, or the County Elections Official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. (City candidates' statements are reviewed at their City Clerk's office.)

EC §13313(a), (b)(1)

Format of Candidate Statement

In order to ensure uniformity of all candidates' statements, each candidate **must** prepare the statement according to the following guidelines:

- Type the statement exactly as you wish it to appear. Attach a completed copy to the Candidate Statement of Qualifications.
- In addition to a hard copy, please provide the statement on a flash drive or by email to myue@smcacre.org in plain text format or attachment of a Word document.
- One signed hard copy must be filed by the deadline. If there are any discrepancies between the hard copy and the electronic copy, the hard copy will prevail.
- Do not use formats that are underlined, **bolded**, *italicized* or ALL CAPITALIZED.
- Do not use any unusual spacing, punctuation, indentations, bullets or an outline format.
- Check your statement for errors in spelling, punctuation and grammar. Remember, statements cannot be changed once they are filed, and the County Elections Official is not responsible for correcting these errors.
- Do not go over the word number limit. Use the word count guidelines on the following page when counting words.

If a statement is submitted and found non-compliant in format, the County Elections Official will make the necessary changes to create compliance.

Candidate Statement Heading in Sample Ballot & Official Voter Information Pamphlet

The heading includes the candidate's name (required) as provided on the Declaration of Candidacy, age (optional) and occupation (optional) as provided on the Candidate Statement of Qualifications Form. All statements will be formatted to begin with the words: "**Education and Qualifications:**" followed by the text filed by the candidate. These words, as well as the heading, are standardized and included in the space provided. The words "Education and Qualifications" do not count toward the number of words allowed for the statement.

Candidate Statement Guidelines (continued)

Final Review and Sign-Off of Candidate Statement

Final copies of how candidate statements will appear in the Sample Ballot & Official Voter Information Pamphlet will be emailed to each candidate for review and “sign-off” approval. Changes will only be made if the finalized version differs from the hard copy submitted or if an error was made on the part of the Registration & Elections Division.

The same “sign-off” process is used for the Chinese and Spanish translations of candidate statements. Statements are translated by certified translators and then proofed against the original English hard copy. Changes will only be made to the Chinese and Spanish versions of a candidate’s statement if the finalized version differs from the hard copy or if an error was made on the part of the translators.

A 24-hour turnaround time is required to meet printing deadlines. Any delay in signing-off jeopardizes the printing schedule. No reply after the 24-hour review period means the statement is approved as emailed to the candidate.

The Sample Ballot & Official Voter Information Pamphlet mailing period for this election is September 24, 2020 through October 13, 2020.

Candidate Statement Guidelines (continued)

Word Count Guidelines

Pursuant to the interpretation of Section 9 of the Elections Code by the San Mateo County Elections Official, each word in candidate statements, ballot questions, measure arguments and impartial analyses will be counted as one word **except as specified below**:

- Punctuation is **not** counted. This refers to the following symbols: , . : ; ! ? () [] ' ”
- Symbols such as \$, #, *, and % are **not** counted as separate words.
- All proper nouns, including geographical names, shall be counted as one word. Examples include: *City and County of San Francisco*, *San Mateo County Charter*, or *John Charles Fremont*.
- Each abbreviation or acronym for a word, phrase or expression shall be counted as one word, such as *Feb.* (February); *Wed.* (Wednesday); *NASA*; *e.g.*; *i.e.*; *J.D.*; *PhD*; and *K-8*.
- Hyphenated words that appear in any generally available standard reference dictionary published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted shall be counted as one word. Each part of all other hyphenated words shall be counted as a separate word. The Chief Elections Officer retains discretion to determine whether a word is included in a standard reference dictionary for these purposes.
- Dates shall be counted as one word, whether purely numeric (*06/14/1846*) or otherwise (*July 4, 1776*; *September Eighth, Nineteen Sixty-Six*).
- Any number consisting of a digit or digits shall be counted as one word (*100*; *3*; *525,600*). Any number which is spelled shall be considered as a separate word or words. Thus, for example, “*One*” will be counted as one word, while “*One Hundred*” will be counted as two words and “*Five Hundred Thousand*” as three words.
- Telephone numbers will be counted as one word.
- Website addresses and email addresses will be counted as one word.
- In an itemized list, headers such as “A.)” or “1)” will be counted as one word. Bullet points will not be counted as a separate word. (*Candidate statement does not allow bullet points*)
- Name, age and occupation located in the **header of a candidate statement only** are **not** counted towards the word count.
- If the text exceeds the word limit, the author will be asked to rewrite the text to bring the total number of words within the required word limit. If the author refuses to alter the text in this manner, the County Elections Official will remove words from the bottom up to meet the word limit requirement.

Candidate Statement Guidelines (continued)

Candidate Statement Costs and Payment

Candidates shall bear the cost of printing, mailing and translating their statements in the Sample Ballot & Official Voter Information Pamphlets unless their jurisdictions agree to pay for the candidates.

All candidates (except those whose statements are paid by jurisdictions) must pay an estimated fee at the time of filing their candidate statements. City candidates should pay the city directly, while other candidates pay the County. Once actual final costs are calculated after the election, all candidates will be either refunded or requested to pay more.

The Registration & Elections Division does its best to provide the most accurate estimated fee, but final costs can vary according to the number of submitted statements appearing on one page, the number of pages required for a particular office, as well as the number of different pamphlets in which your statement will appear.

An Example of How Candidate Statement Estimated Fee is Calculated

The candidate statement fee is based on the printing, mailing and translating costs of the Sample Ballot & Official Voter Information Pamphlets.

The following is a step-by-step example of how the estimated fee is calculated:

1. Estimate the total number of pages ordered for ALL booklets in the election.
2. Estimate the total printing and mailing costs for ALL booklets in the election.
3. Divide the estimated total printing and mailing costs by the estimated total number of pages ordered to calculate the estimated cost per page per booklet.

Example: $\$280,000.00 / 7,000,000 \text{ pages} = \$0.04 \text{ cost per page per booklet}$

4. Multiply each jurisdiction's total booklet order (the total number of registered voters) by the estimated cost per page per booklet to get the estimated cost of printing and mailing per page for the jurisdiction.

Example: $30,041 \times \$0.04 = \$1,201.64 \text{ cost per page}$

5. Divide this cost by the estimated total number of filed statements.

Example: $3 \text{ statements} = \$1,201.64 / 3 = \$400.55 \text{ per statement (the amount will be rounded to the nearest cent, i.e., } \$0.01).$

6. Add the estimated cost of translating the candidate statement into Spanish and Chinese.

Example: Spanish Translation = \$60
Chinese Translation = \$70

In this example, the final estimated cost for the three candidates is \$530.55 each.

Example: $\$400.55 + \$60 + \$70 = \$530.55 \text{ final cost estimate}$

The actual cost may increase or decrease based on the number of statements among other factors. Spanish and Chinese translating costs are subject to change.

Fictitious Samples of Candidate Statements

Below are fictitious samples of 200-word statements as they would appear in the County Sample Ballot & Official Voter Information Pamphlet. Statements will appear in the same order as the candidates' names appear on the ballot, except for offices elected throughout the county (which are rotated on the ballot by Supervisorial district, but not rotated in the County Sample Ballot & Official Voter Information Pamphlet).

EC §18403

OFFICE OF
**ASSESSOR-COUNTY CLERK-
RECORDER & ELECTIONS**
COUNTY OF SAN MATEO

MARK CHURCH
CHIEF ELECTIONS OFFICER &
ASSESSOR-COUNTY CLERK-RECORDER

Summer to Fall 2020

Dear Candidate:

Every campaign season our office receives a number of calls from property owners complaining of uninvited campaign signs being placed on private property. This letter serves as a reminder of California Penal Code Section 556.1, which requires the property owner's prior consent for such advertising activity:

It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.

Also, I am enclosing copies of letters from the Department of Transportation describing current regulations for the placement of political signs. For your convenience, you will also find a listing of City Clerks within San Mateo County, whom you may contact about specific city ordinances.

I request that you review these materials, and that you inform anyone who is posting materials on your behalf of these requirements.

Thank you in advance for your attention to this important matter.

Sincerely,

Mark Church

California Voter's Choice Act

Overview

San Mateo County was selected by the State Legislature as one of 14 pilot counties statewide authorized to conduct All-Mailed Ballot - Vote Center with Ballot Drop-off Locations elections under Senate Bill 450, the California Voter's Choice Act. On September 12, 2017, the San Mateo County Board of Supervisors authorized the Chief Elections Officer to proceed with the implementation of the Act for future elections. More information on the voting model can be found in our Elections Administration Plan at www.smcacre.org/california-voters-choice-act.

Purpose

The California Voter's Choice Act was enacted to increase voter participation, enlist public engagement, and expand voting options for all voters. The law fundamentally changes the manner in which future elections are to be conducted by establishing an All-Mailed Ballot - Vote Center election model, utilizing Vote Centers and Ballot Drop locations strategically placed throughout the county.

Voting Options - More Days, More Ways to Vote!

Under the Voter's Choice Act, all voters will be mailed a ballot 29 days before the election with a postage-paid envelope to return the ballot.

Voters will be able to cast their ballots by choosing one of three methods:

Vote by Mail

You can vote and mail your ballot in the postage-paid return envelope on or before Election Day.

Drop off Your Voted Ballot

You can vote and return your ballot into a secure Ballot Drop Box. Ballot Drop Boxes will be located throughout San Mateo County starting 28 days before the election. Go to www.smcvote.org for locations.

Vote in Person

Vote Centers look and feel like polling places, but provide additional services and options for voters. You can go to any Vote Center in San Mateo County to:

- Vote on an accessible voting tablet
- Vote on a paper ballot
- Access multilingual election materials and receive assistance from English, Spanish, Chinese, Filipino, Korean, Burmese, Hindi or Japanese speaking staff
- Drop off your ballot
- Receive a replacement ballot
- Register to vote or update registration information through Election Day

Vote Centers will be located throughout San Mateo County. Go to www.smcvote.org for locations.

- Three Vote Centers will be open 29 days before the election
- All 45 Vote Centers will be open on Election Day from 7 a.m. to 8 p.m.

EC §4005

Election Day

Vote Centers are open from 7 a.m. to 8 p.m. on Election Day.

Election Day Observing

The Registration & Elections Division has procedures in place for election observers at the Vote Centers. It is important that activities at the Vote Centers are organized, operationally smooth and hassle-free for both the voters and the Vote Center Representatives.

- Observers are welcome to watch all proceedings at the polls, including Vote Center Representatives while opening up the polls, citizens preparing to vote, and, more commonly, to observe the closing activities.
- Observers have the right to raise questions to the Vote Center Representatives, and may direct their questions about procedures to the Lead, or in the absence of the Lead, to other Vote Center Representatives who are in charge.
- Observers may not go near a voting booth while occupied and may not approach voters during the voting process. Observers may talk to voters outside the Vote Center, beyond the “no-electioneering zone.”
- Observers may not directly challenge a voter. Election law provides that only the Elections Official, and/or Vote Center Representative holds the right to challenge a particular vote.
- Observers may not interfere in any way with the voting process.

Election Night Results: Semi-Official and Official Canvass

The semi-official canvass will commence immediately upon the close of the polls at 8 p.m., November 3, 2020. Votes are cumulated at the secure, central counting location within the Registration & Elections Division at 40 Tower Road, San Mateo, CA 94402.

EC §15150

Generally, the election night results will be released as follows:

- **8:15 p.m.:** Vote by Mail Ballots Only
- **9 p.m.:** All Vote Center Votes (*Updated every 30 minutes*)

There are two different ways you may obtain Election Night Semi-Official results:

- View the results as they are posted on our website at www.smcacre.org
- Subscribe to emailed reports, via subscription form posted on www.smcacre.org one week prior to the election

Official Canvass and Election Certification

Final Official Canvass

The purpose of the Official Canvass is to thoroughly audit, account for and validate every ballot and vote cast in the election, so that the Elections Official may derive and certify the final vote counts. This process tests the accuracy and validity of partial vote counts derived in the Semi-Official Canvass and goes beyond those preliminary processes to validate and count additional Vote by Mail ballots, provisional ballots and write-in votes, and to account for unused and damaged paper ballots.
EC §§15300-15360

During the Official Canvass, any interested person may choose to observe the Registration & Elections Division procedures. To observe this process, please feel free to contact 650.312.5222 or visit the office during normal business hours, Monday through Friday, from 8 a.m. to 5 p.m.

A press release detailing the Official Canvass will be available on the Registration & Elections Division's website: www.smcacre.org.

Election Certification

Official results must be certified no later than 30 calendar days following an election. A certified "Statement of the Vote" will be available on the Elections website at www.smcacre.org and for purchase or viewing at the Registration & Elections Division, located at 40 Tower Road in San Mateo.
