**Jefferson Union High School District
Argument in Favor of Measure __**

The COVID-19 crisis has had a significant impact on our community, but especially on our schools. Overnight, teachers and staff have been forced to find completely new ways to educate, stay connected with and care for our children. And we have all learned a valuable lesson: **crises don't wait—we must prepare for any emergency.**

We now see how critical it is to ensure that our high schools are safe, high-quality learning environments. We know that our local high schools need significant repairs. Measure __ gives us the opportunity to improve them **without increasing taxes.**

Measure __ will provide our high schools with the resources to make critical safety improvements and better prepare our students for a changing world. Projects include:

- Improving student access to computers and modern technology by upgrading electrical and technological systems
- Upgrading classroom air ventilation systems
- Improving Americans with Disability Act (ADA) accessibility to campuses, classrooms and restrooms
- Upgrading emergency preparedness and school security systems, including fire sprinkler and suppression systems, fire alarms and intrusion alarms
- Constructing and improving science labs
- Expanding career technical education classrooms, including digital, robotic and culinary arts

In addition to not raising taxes, Measure __ imposes ironclad protections, including:

- Requiring a rigorous Independent Citizens' Oversight Committee and third-party auditor
- Prohibiting any funds from being used for administrators' salaries and benefits
- Guaranteeing that all bond money will be spent locally, not taken by the state for use elsewhere

With your support, we can greatly improve the quality of our high schools so that our children thrive, no matter the circumstances. And it can all be done **without increasing taxes.**

Our schools are our community's most valuable public resource. Let's make sure they remain that way. Vote Yes on Measure __.
