Rebuttal to Argument Against Measure Y

The Argument Against Measure Y is WRONG. Know the facts. Measure Y *does not* limit San Mateo's ability to provide new housing options, nor does it impair economic growth or stunt city services. Measure Y *does* give residents a voice when development deals are made by powerful special interests.

Measure Y policies have helped San Mateo thrive. For three decades these policies helped fund essential city services and promote economic prosperity, especially for small businesses. New development is everywhere. Thousands of housing units, including both market rate and affordable, and many offices have been built within the smarter growth standards of Measure Y.

Measure Y Facts:

YES on Y - Promotes economic prosperity which helps fund essential city services.

YES on Y - Balances growth to better manage traffic and climate change.

YES on Y - Proven affordable housing producer - doubled the number of affordable units built since 1991.

YES on Y - Guarantees affordable units for our heroes get built at same time as market rate housing (unlike developer Measure R).

YES on Y - Tried, true and trusted. Approved twice before by an overwhelming majority of San Mateo voters.

Our opponents are spending BIG MONEY to dominate this election. They'll flood your mailbox with slick mailers written by political operatives selling you a bill of goods. Get the facts. Unlike developer Measure R, Measure Y is a true grassroots effort, placed on the ballot by 7000+ resident supporters. Join your neighbors. Support Measure Y.

VOTE YES on Y - Residents' Voice. Voters' Choice.
