Argument in Favor of Measure C

Vote YES on C to renew expiring locally controlled funding, at the current rate for Belmont and Redwood Shores elementary and middle schools.

Thanks to our supportive communities, award-winning academics and high-quality teachers, Belmont-Redwood Shores School District provides an excellent education to local students.

10 ✓

However, our per student funding remains below the state average and among the lowest in the county, impacting students in our TK-8 schools. That is why Measure C is so important.

15 ✓
14 ✓ 13

For 18 years our TK-8 schools have benefited from locally controlled funding that cannot be taken away by the State. The approximately \$3.5 million in annual funding is used to help keep high-quality teachers in our classrooms, maintain smaller class sizes, preserve outstanding academic instruction and support our students.

Without Measure C, our schools will have to layoff teachers and make significant cuts to academic programs, impacting students in each grade.

14 ✓
7 ✓

Voting YES on C will renew this critical source of local education funding at the current rate to maintain a well-rounded education with art and music programs, and strong core academics.

- Protect core academic programs in science, technology, engineering, reading, writing, and math

Strict Fiscal Accountability:

- All funds stay in local schools – the state can't take one penny
- No money can be spent on administrators' salaries
- Independent citizens' oversight will ensure funds are spent as promised
- Seniors will continue to be eligible for an exemption
