

**May 2, 2023 Special Mail Ballot Election  
Precinct Consolidations**

The number of precincts can vary between elections, depending on the participating jurisdictions. Multiple precincts with similar ballot content can be merged into a single voting precinct for the purposes of that election. For example, precincts 10001, 10002, and 10003 may all be consolidated and referred to only as precinct 10001. These are "consolidated" precincts. Consolidation is an election-specific process and is not permanent. If you don't see a precinct in an area, please review the precinct consolidation list.
