March 5, 2024
This page intentionally left blank
Fall 2023 to Spring 2024

Dear Candidate:

I commend you for your decision to seek public office. The success of our democratic system relies on citizen involvement as voters and candidates. Running for office is a commitment of your time and energy to your community, and this invaluable contribution deserves respect and support.

As a candidate for office, you are now responsible for the legalities of candidacy, campaigning, and financial reporting. The process can be confusing, even for the most seasoned candidates.

We have developed this Candidate Guide and we will hold two online Candidate Seminars to provide resources and help you understand your responsibilities in the March 5, 2024 Presidential Primary Election. I highly recommend that you attend one of these online seminars. Even if you have run for office before, these briefings will ensure your understanding of current laws, forms, reporting rules, and campaign management tips.

**Candidate Seminars (choose one session)**

10 a.m., Wednesday, October 11, 2023
2 p.m., Thursday, November 2, 2023

In addition to the seminars, our website ([www.smcacre.org](http://www.smcacre.org)) has an abundance of useful information, including an election calendar, information on how to request voter file data, an electronic copy of this Candidate Guide, the specific requirements and steps for including voter registration and/or Vote by Mail information in your campaign materials, Vote Center lookups, and voting options for voters.

I feel privileged and honored to serve as your Chief Elections Officer. My office is ready to support you. Please send your questions regarding candidate filing to CandidateServices@smcacre.org.

Sincerely,

Mark Church

Electronic Candidate Filing Option

We are continuing to offer an electronic filing option in addition to in-person filing.

Receiving Candidate Filing Documents Electronically

1. Candidates need to provide our office with a written request to receive candidate filing documents electronically by using the County’s Candidate Registration Form. The Candidate Registration Form can be downloaded from our website (www.smcacre.org) or be requested by phone or email.

2. Upon receiving the written request and establishing the candidate’s eligibility, the Registration & Elections Division will email all candidate filing forms to the candidate in fillable PDF format.

Completing Candidate Filing Documents

1. Once the candidate has received all the filing forms via email, our staff will assist the candidate with filling out each form via phone or an online video conference tool.

2. Candidate oaths may be executed in the presence of the County Elections Official via an online video conferencing service. The oath CANNOT be done by phone. If candidates do not have video conferencing ability, they may go to a notary or visit the Registration & Elections Division to take the oath in person.

Returning Candidate Filing Forms

IMPORTANT: Candidates MUST print all the completed filing forms, sign each form, and mail or drop off their completed hard copy documents with original (wet) signatures to the Registration & Elections Division by the close of the Candidate Filing Period on December 8, 2023, or December 13, 2023 for extended offices.

If the County Elections Official does not receive the completed documents with original signatures from the candidate by the filing deadline, the candidate will NOT be considered qualified, and the candidate’s name will NOT be on the ballot.

(b) For purposes of this section, “conviction of a felony” includes a conviction of a felony in this state and a conviction under the laws of any other state, the United States, or any foreign government or country of a crime that, if committed in this state, would be a felony, and for which the person has not received a pardon from the Governor of this state, the governor or other officer authorized to grant pardons in another state, the President of the United States, or the officer of the foreign government or country authorized to grant pardons in that foreign jurisdiction.

*EC §20*

(b) The elections official shall attach a certificate to the declaration of candidacy showing the date on which the candidate registered with a preference for the political party of that committee and indicating that the candidate has not been registered with a preference for any other qualified political party for the period specified in subdivision (a) immediately preceding the filing of the declaration. This section does not apply to a declaration of candidacy filed by a candidate of a political party participating in its first direct primary election subsequent to its qualification as a political party pursuant to Section 5100.

(c) Notwithstanding subdivision (a), a county central committee, subject to the bylaws of the state central committee, may establish the length of time that a candidate for membership on that committee must be shown by the candidate’s affidavit of registration to have expressed a preference for the political party of that committee, and may establish the length of time that a candidate for membership on that committee must not have been registered with a preference for a qualified political party other than the political party of that committee.

Holding Two Offices

The 1999 San Mateo County Grand Jury recommended that all candidates be made aware that individuals cannot hold incompatible offices. If a candidate who currently holds an office is elected to a second office that is incompatible with the first office, the first office becomes vacant upon the taking of the second office.

This doctrine of incompatible offices precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “one individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” Eldridge v. Sierra View Local Hosp. Dist. (1990) 224 Cal.App.3d 311, 319. When two public offices are incompatible, a public officer shall be deemed to have forfeited the first office upon acceding to the second. GC §1099(b).

Government Code Section 1099 provides detailed guidance on incompatible offices and specifies the defining characteristics:

Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

1. Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.

2. Based on the powers and jurisdictions of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.

3. Public policy considerations make it improper for one person to hold both offices.

Potential candidates are encouraged to do their own research or seek legal counsel to resolve any questions regarding whether two offices are incompatible. A number of legal opinions issued by the Office of the California Attorney General offer additional guidance in determining whether or not certain offices are incompatible. Here are five examples of offices that the Attorney General’s Office has deemed to be incompatible:

1. The offices of city councilman and school district board member where the city and the school district have territory in common (65 Ops. Cal. Atty. Gen. 606 (1982));

2. The positions of fire chief of a county fire protection district and member of the board of supervisors of the same county (66 Ops. Cal. Atty. Gen. 176 (1983));

3. The offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district (79 Ops. Cal. Atty. Gen. 284 (1996));

4. A water district director and a city council member where water district sets rates that indirectly affect rates charged to city (85 Ops. Cal. Atty. Gen. 199, 200 (2002)); and

5. A water district director and a school district trustee having territory in common (73 Ops. Cal. Atty. Gen. 268 (1990)).

**WARNING:** Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any nomination paper in the person’s possession that is entitled to be filed under the provisions of the Elections Code. (Elections Code § 18202.)
Guidelines for Gathering Signatures

These guidelines apply to both Signatures in Lieu of Filing Fee Petitions and Nomination Papers

With a prudent regard for strict deadlines and eligibility requirements for signers, we strongly encourage candidates to proceed without delay in gathering signatures and submitting them with the required Signatures in Lieu of Filing Fee Petitions or Nomination Papers to the Registration & Elections Division. By filing in advance of the deadline, you will allow yourself time to gather additional signatures in the event that:

1. For Signatures in Lieu of Filing Fee Petitions – you have more time to decrease your filing fee.

2. For Nomination Papers – you may need to obtain additional signatures based on the number that are disqualified during the examination of your papers.

Who is a Qualified Signer to a Petition or Paper?
Any registered voter may sign a Petition or Paper for any candidate for whom they are eligible to vote. Each voter shall at the time of signing the Petition or Paper personally affix their signature, printed name and place of residence, including the street and number of the place of residence, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained. All signers of the same section of a petition must be registered in one county. Different sections must be used in each county where the petitions are circulated and filed with the County Clerk in the affected county.
EC §§100, 8068, 8106

Voters May Sign Only One Paper Per Open Position
No signer shall, at the time of signing a certificate, have their name signed to any other Nomination Paper for any other candidate for the same office or, in case there are several places to be filled in the same office, signed to more Nomination Papers for candidates for that office than there are places to be filled.
EC §8069

Who can circulate Signatures in Lieu of Filing Fee Petitions and Nomination Papers?
A circulator must be 18 years of age or older. A candidate may serve as a circulator of the candidate’s own Signatures in Lieu of Filing Fee Petition or Nomination Paper. Candidates may also sign their own Petition or Paper, and the signature will be given the same effect as that of any other qualified signer.
EC §§102, 106

Petitions and Papers Must Include Declaration of Circulator
(a) Wherever any petition or paper is submitted to the Elections Official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator’s own hand, the following:

1. The printed name of the circulator.

2. The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.

3. The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

1. That the circulator circulated that section and witnessed the appended signatures being written.
(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(3) That the circulator is 18 years of age or older.

(4) If the petition does not include the disclosure statement described by subdivision (b) of Election Code Section 107, that the circulator showed each signer a valid and unfalsified “Official Top Funders” sheet, as required by Election Code Section 107.

(c) The circulator shall certify the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of the circulator’s name. The circulator shall state the date and the place of execution on the declaration immediately preceding the circulator’s signature.

EC §104

Maximum Number of Signers
No more signers shall be secured for any candidate than the maximum number required. If, however, through miscalculation or otherwise, more signers are secured than the maximum number, the officer with whom the Nomination Papers are filed shall, with the written consent of the candidate, withdraw the excess number.

EC §8067

Circulating within 100 Feet of Polling Place
Signatures for Signatures in Lieu of Filing Fee Petitions and Nomination Papers shall not be obtained on Election Day, or at any time that a voter may be casting a ballot, within 100 feet of the entrance to a building that contains a Vote Center as defined by Elections Code Section 338.5, an elections official’s office, or a satellite location specified in Elections Code Section 3018; or within 100 feet of an outdoor site, including a curbside voting area, at which a voter may cast or drop off a ballot.

EC §18370

Registering Voters at Time of Signing Signatures in Lieu of Filing Fee Petitions and Nomination Papers
Candidates may register voters at the same time as the voter signs the candidate’s Signatures in Lieu of Filing Fee Petition and/or Nomination Paper. For purposes of verifying signatures on a Petition or Paper, a properly executed affidavit of registration shall be deemed effective for verification purposes if both (1) the affidavit is signed on the same date or a date before the signing of the Petition or Nomination Paper, and (2) the affidavit is received by the County Elections Official on or before the date on which the Petition or Nomination Paper is filed.

EC §2102(b)

Validation of Signatures
The County Elections Official shall verify the signatures of the signers on the Signatures in Lieu of Filing Fee Petition or Nomination Paper with the registration affidavits on file in the office of the County Elections Official. The County Elections Official shall mark “not sufficient” any signature that does not appear in the same handwriting as appears on the affidavit of registration in their office. The County Elections Official may cease to verify signatures once the minimum requisite number of signatures has been verified.

EC §8081

No defect in any nomination document presented shall prevent the filing of another nomination document within the period allowed for presenting the nomination document.

EC §8102
Guidelines for Gathering Signatures (continued)

The signer must be a registered voter residing at their address of registration at the time of signing any Petition or Nomination Paper.

(B) One of the following ballot designations: “Attorney,” “Attorney at Law,” “Lawyer,” or “Counselor at Law.” The designations “Attorney” and “Lawyer” may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(3) A designation made pursuant to subparagraph (A) of paragraph (1) or paragraph (2) shall also contain relevant qualifiers, as follows:

(A) If the candidate is an official or employee of a city, the name of the city shall appear preceded by the words “City of.”

(B) If the candidate is an official or employee of a county, the name of the county shall appear preceded by the words “County of.”

(C) If the candidate is an official or employee of a city and county, the name of the city and county shall appear preceded by the words “City and County.”

(D) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

(c) A candidate for superior court judge who is an active member of the State Bar and practices law as one of their principal professions shall use one of the following ballot designations as his or her ballot designation: “Attorney,” “Attorney at Law,” “Lawyer,” or “Counselor at Law.” The designations “Attorney” and “Lawyer” may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(d) For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.
Ballot Designation (continued)

(e) The Secretary of State and any other elections official shall not accept a designation of which any of the following would be true:

(1) It would mislead the voter.

(2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

(3) It abbreviates the word “retired” or places it following any word or words which it modifies.

(4) It uses a word or prefix, such as “former” or “ex-,” which means a prior status. The only exception is the use of the word “retired.”

(5) It uses the name of any political party, whether or not it has qualified for the ballot.

(6) It uses a word or words referring to a racial, religious, or ethnic group.

(7) It refers to any activity prohibited by law.

(f) If, upon checking the nomination documents and the ballot designation worksheet described in Section 13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate’s ballot designation worksheet.

(1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a) or (b).

(2) If a candidate fails to provide a designation that complies with subdivision (a) or (b) within the three-day period specified in paragraph (1), a designation shall not appear after the candidate’s name.

(g) A designation given by a candidate shall not be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (f) or as provided in subdivision (h). The elections official shall maintain a copy of the ballot designation worksheet for each candidate that appears on the ballot in the county for the same period of time as applied to nomination documents pursuant to Section 17100.

(h) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days before the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(i) In all cases, the words so used shall be printed in a manner consistent with the space requirements of Sections 13207 and 13211.
Ballot Designation (continued)

(j) If a foreign language translation of a candidate’s designation is required under the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

Support Your Ballot Designation using Ballot Designation Worksheet

(a) A candidate who submits a ballot designation pursuant to subdivision (a) of Election Code Section 13107 shall file a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.

(b) The ballot designation worksheet shall be filed with the Elections Official at the same time that the candidate files their Declaration of Candidacy.

(c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate’s name on the ballot.

EC §13107.3; Cal. Reg. Title 2, Division 7, §§20710-20719

Use of the term “Community Volunteer” as a Ballot Designation

A candidate’s ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Election Code Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

(1) A candidate’s community volunteer activities constitute their principal profession, vocation, or occupation.

(2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

(3) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

EC §13107.5(a); Cal. Reg. Title 2, Division 7, §20714.5

Secretary of State’s Regulations on Ballot Designation

The California Secretary of State has adopted regulations (Chapter 7 of Division 7 of Title 2 of the California Code of Regulations) relating to ballot designations for certain offices. The San Mateo County Elections Official has opted to refer to those regulations to provide guidance in addressing issues which arise relating to ballot designations for local offices; however, the San Mateo County Elections Official retains full discretion to interpret the regulations and to make decisions based on other considerations. The regulations are available online at www.oal.ca.gov/publications/ccr or at www.sos.ca.gov/administration/regulations/current-regulations/elections/ballot-designations.

WARNING: Every person acting on behalf of a candidate is guilty of a misdemeanor who deliberately fails to file at the proper time and in the proper place any declaration of candidacy in the person’s possession that is entitled to be filed under the provisions of the Elections Code. (Elections Code § 18202.)
Other Forms

The entire set of official forms relating to becoming a candidate and operating an election campaign will be provided by the Registration & Elections Division at the time of your candidate filing appointment. City candidates should obtain the appropriate forms from their City Clerk.

**Code of Fair Campaign Practices (Voluntary and Not Applicable for Federal Candidates)**

The Legislature encourages every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions. *EC §20400*

At the time an individual is issued their Declaration of Candidacy, Nomination Papers, or any other paper evidencing an intention to be a candidate for public office, the Elections Official shall give the individual a blank form of the Code of Fair Campaign Practices and a copy of Chapter 5, Division 20, of the Elections Code, which can be obtained at https://leginfo.legislature.ca.gov/faces/codes_displayText.xhtml?lawCode=ELEC&division=20.&title=&part=&chapter=5.&article=1.

The Elections Official shall inform each candidate for public office that subscription to the code is **voluntary**. The Elections Official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to the Code of Fair Campaign Practices is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the Code. *EC §§20440 – 20444*
Character-Based Name Form
In San Mateo County, all election information that is provided in English about voter registration, elections and voting, including information provided in Vote Centers and the voting booths, must also be provided in Chinese, Filipino and Spanish to allow effective participation of all individuals in the electoral process and all voting-related activities.

Voting Rights Act, 52 U.S.C §10503

Further, California law provides that, if a candidate has a character-based name by birth, that can be verified by birth certificate or other valid identification, the candidate may use that name on the ballot instead of a phonetic transliteration. A candidate who does not have a character-based name by birth, but who identifies by a particular character-based name and can demonstrate to the local elections official that the candidate has been known and identified within the public sphere by that name over the past two years, may use that name instead of a phonetic transliteration.

EC §13211.7(b)

Candidates should provide their character-based names on the Character-Based Name Form, along with supporting documents. Candidates without character-based names will automatically be given a phonetic transliteration of their names in Chinese.

Candidate Statement of Qualifications Form
Candidates should use this form as a cover when submitting a candidate statement. For Candidate Statement guidelines, please see page 42.

Prior to posting any personal information, the County Elections Official must receive written consent from candidates through the Permission to Post Personal Information on San Mateo County’s Website Form. The roster is updated at the end of each business day at approximately 5 p.m. Candidates can update their contact information by filing a new form up until Election Day.

For nonpartisan elective office candidates, their candidate statements shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.
EC §13307(a)(1)

A candidate statement shall be limited to a recitation of the candidate’s own personal background and qualifications and shall not in any way reference other candidates for that office or another candidate’s qualifications, character, or activities.
EC §13308
Candidate Statement Guidelines (continued)

When and Where to File Candidate Statement
A candidate statement shall be filed in the office of the Elections Official when the candidate’s Nomination Papers are returned for filing. If it is for an election for which Nomination Papers are not required to be filed, a statement shall be filed in the office of the Elections Official no later than 5 p.m. on December 8, 2023, which is the 88th day before the election.
EC §13307(a)(2)

City candidates should file their candidate statement with their City Clerk’s office. All other candidates should file with the County Elections Official. It is strongly recommended that the candidate statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement.

Withdrawal and Change of Candidate Statement
Any candidate may withdraw their candidate statement, either in person or by a signed statement of withdrawal, no later than 5 p.m., on December 11, 2023 (the next business day following the close of the nomination period) or no later than 5 p.m., on December 14, 2023 for extended offices. However, once filed, a candidate statement CANNOT be changed.
EC §13307(a)(3)

Confidentiality of Candidate Statement before End of Filing Period
Notwithstanding the California Public Records Act, candidate statements shall remain confidential until expiration of the filing deadline.
EC §13311

Public Examination of Candidate Statements
Statements are available for public examination in the office of the Elections Official during the 10-calendar-day examination period (commencing at 5 p.m. December 8, 2023, or at 5 p.m. December 13, 2023 for extended races) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the County Elections Official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. (City candidates’ statements are reviewed at the City Clerk’s Office.)
EC §13313

Format of Candidate Statement
In order to ensure uniformity of all candidates’ statements, each candidate must prepare the statement according to the following guidelines:

- Type the statement exactly as you wish it to appear. Attach a completed copy to the Candidate Statement of Qualifications.
- In addition to a hard copy, please provide the statement on a flash drive or by email to candidateservices@smcacre.org in plain text format or attached as a Word document.
- One signed hard copy must be filed by the deadline. If there are any discrepancies between the hard copy and the electronic copy, the hard copy will prevail.
- Do not use formats that are underlined, bolded, italicized or ALL CAPITALIZED.
- Do not use any unusual spacing, punctuation, indentations, bullets or an outline format.
- Check your statement for errors in spelling, punctuation and grammar. Remember, statements cannot be changed once they are filed, and the County Elections Official is not responsible for correcting these errors.
- Do not go over the word count limit. Use the word count guidelines on the following page when counting words.
If a statement is submitted and found non-compliant in format, the County Elections Official will make the necessary changes to create compliance. Note if a statement has many proper nouns, particularly those consisting of multiple words, although the final word count is under the word limit based on our guideline, the length of the content may go over the space allocated for the statement. If this happens, we may remove the paragraph spacing (and there will be no paragraph indentations, as indicated above) in order to fit the statement in the space allocated.

**Candidate Statement Heading in Sample Ballot & Official Voter Information Pamphlet**

The heading includes the candidate’s name (required) as provided on the Declaration of Candidacy, age (optional) and occupation (optional) as provided on the Candidate Statement of Qualifications Form. All statements will be formatted to begin with the words: “Education and Qualifications:” followed by the text filed by the candidate. These words, as well as the heading, are standardized and included in the space provided. The words “Education and Qualifications” do not count toward the number of words allowed for the statement.

**Final Review and Sign-Off of Candidate Statement**

Final copies of how candidate statements will appear in the Sample Ballot & Official Voter Information Pamphlet will be emailed to each candidate for review and “sign-off” approval. Changes will only be made if the content of the finalized version (not the format or layout) differs from the hard copy submitted or if an error in the content was made on the part of the Registration & Elections Division.

The same “sign-off” process is used for the Chinese, Filipino and Spanish translations of candidate statements. Statements are translated by certified translators and then proofed against the original English hard copy. Changes will only be made to the Chinese, Filipino and Spanish versions of a candidate’s statement if the finalized version differs from the hard copy or if an error was made on the part of the translators. We will not make changes if it is a matter of translation preference.

A 24-hour turnaround time is required to meet printing deadlines. Any delay in signing-off jeopardizes the printing and mailing schedule. No reply after the 24-hour review period will be taken to mean the statement is approved as emailed to the candidate.
Candidate Statement Guidelines (continued)

Word Count Guidelines
Pursuant to the interpretation of Elections Code Section 9 by the San Mateo County Elections Official, each word in candidate statements, ballot questions, measure arguments and impartial analyses will be counted as one word except as specified below:

- Punctuation is not counted. This refers to the following symbols: , . ; ! ? ( ) [] ’ “
- Symbols such as $, #, *, and % are not counted as separate words.
- All proper nouns, including geographical names, shall be counted as one word. Examples include: City and County of San Francisco, San Mateo County Charter, or John Charles Fremont.
- Each abbreviation or acronym for a word, phrase or expression shall be counted as one word, such as Feb. (February), Wed. (Wednesday), NASA, e.g., i.e., J.D., PhD. and K-8.
- Hyphenated words that appear in any generally available standard reference dictionary published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted shall be counted as one word. Each part of all other hyphenated words shall be counted as a separate word. The Chief Elections Officer retains discretion to determine whether a word is included in a standard reference dictionary for these purposes.
- Dates shall be counted as one word, whether purely numeric (06/14/1846) or otherwise (July 4, 1776; September Eighth, Nineteen Sixty-Six).
- Any number consisting of a digit or digits shall be counted as one word (100; 3; 525,600). Any number which is spelled shall be considered as a separate word or words. Thus, for example, “One” will be counted as one word, while “One Hundred” will be counted as two words and “Five Hundred Thousand” as three words.
- Telephone numbers will be counted as one word.
- Website addresses and email addresses will be counted as one word.
- In an itemized list, headers such as “A.)” or “1)” will be counted as one word. Bullet points will not be counted as a separate word. (Candidate statements do not allow bullet points)
- Name, age and occupation located in the header of a candidate statement only are not counted towards the word count.
- If the text exceeds the word limit, the author will be asked to rewrite the text to bring the total number of words within the required word limit. If the author refuses to alter the text in this manner, the County Elections Official will remove words from the bottom up to meet the word limit requirement.

EC §9
Candidate Statement Guidelines (continued)

Candidate Statement Costs and Payment
Candidates shall bear the cost of printing, mailing and translating their statements in the Sample Ballot & Official Voter Information Pamphlets unless their jurisdictions agree to pay for the candidates.

All candidates (except those whose statements are paid by jurisdictions) must pay an estimated fee at the time of filing their candidate statements. City candidates should pay the city directly, while other candidates pay the County. Once actual final costs are calculated after the election, all candidates will be either refunded or requested to pay the difference between their deposit and the final cost. EC §13307(d)

The Registration & Elections Division does its best to provide the most accurate estimated fee, but the final cost can vary, oftentimes significantly, from the cost estimate, mainly due to the number of submitted statements appearing on one page, among other factors. For example, for an office that requires 200-word statement, if two candidates choose to publish statements, the cost will double as opposed to four candidates choosing to publish the statement.

Indigency Waiver
If a candidate alleges to be indigent and unable to pay in advance the fee for printing a candidate statement, the candidate shall submit a statement of financial worth to the jurisdiction in which they are seeking a seat. The jurisdiction will determine whether the candidate qualifies as indigent; if the candidate does so qualify, he or she may submit a candidate statement without payment of the fee in advance. The jurisdiction will provide the statement of financial worth form, which may include questions relating to the candidate’s employer, income, real estate holdings, tangible personal property, and financial obligations. The candidate shall certify the content of the statement as to its truth and correctness under penalty of perjury. The candidate shall also sign a release form of the candidate’s most recent federal income tax report.

Payment of the deferred fee after the conclusion of the election is required. If it is determined that the candidate is not indigent, the candidate shall, within three days of the notification, excluding Saturdays, Sundays, and state holidays, withdraw the statement or pay the requisite fee. If the candidate fails to respond within the time prescribed, the statement will not be printed.

An Example of How Candidate Statement Estimated Fee is Calculated
Candidate statement fees are based on the printing, mailing and translating costs of the Sample Ballot & Official Voter Information Pamphlets.

The following is a step-by-step example of how the estimated fee is calculated:

1. Estimate the total number of pages ordered for ALL booklets in the election.
2. Estimate the total printing and mailing costs for ALL booklets in the election.
3. Divide the estimated total printing and mailing costs by the estimated total number of pages ordered to calculate the estimated cost per page per booklet.
   Example:  $280,000.00 / 7,000,000 pages = $0.04 cost per page per booklet
4. Multiply each jurisdiction’s total booklet order (the total number of registered voters) by the estimated cost per page per booklet to get the estimated cost of printing and mailing per page for the jurisdiction.
   Example:  Jurisdiction with 30,041 registered voters = 30,041 x $0.04 = $1,201.64 cost per page
5. Divide this cost by the estimated total number of filed statements.

Example: 3 statements = $1,201.64 / 3 = $400.55 per statement (the amount will be rounded to the nearest cent).

6. Add the estimated cost of translating the candidate statement into Spanish, Chinese and Filipino.

Example:
- Spanish Translation = $100
- Chinese Translation = $80
- Filipino Translation = $75

In this example, the final estimated cost for the three candidates is $656 each.

Example: $400.55 + $100 + $80 + $75 = $655.55. The amount will be rounded to the nearest dollar, so $656 is the final cost estimate.

All costs mentioned here are examples and subject to change.
Fictitious Samples of Candidate Statements

Below are fictitious samples of 200-word statements as they would appear in the County Sample Ballot & Official Voter Information Pamphlet. Statements will appear in the same order as the candidates’ names appear on the ballot, except for offices elected throughout the county (which are rotated on the ballot by Supervisorial district, but not rotated in the County Sample Ballot & Official Voter Information Pamphlet).

Form 501 — Candidate Intention Statement
Must be filed before you solicit or receive any contributions or before making expenditures of personal funds on behalf of your candidacy. State Candidates (including judges) file with the Secretary of State. Local candidates file with the County Elections Official or the City Clerk.

Form 410 — Statement of Organization
Form 410 is used when organizing a campaign committee and must be filed within 10 days of receiving $2,000 in contributions. The form includes a space to indicate the campaign's bank account information. File the original and one copy with the Secretary of State. County and city committees also file a copy with the County Elections Official or the City Clerk.

Form 460 — Recipient Committee Campaign Statement
Form 460 is a Recipient Committee Campaign Statement, for use by a candidate or officeholder who has a controlled committee, or who has raised or spent or will raise or spend $2,000 or more during a calendar year in connection with an election to office, or holding office.

State committees, including state candidates and judicial candidates, file with the Secretary of State. A copy of this form must also be filed with a state candidate’s county of domicile’s filing officer, if the state candidate does not file Form 460 electronically with the Secretary of State. Local committees file an original and one copy with the County Elections Official or the City Clerk.
Form 470 — Officeholder and Candidate Campaign Statement — Short Form
This form is used by candidates who do not have a controlled committee and do not anticipate receiving contributions or making expenditures totaling $2,000 or more in a calendar year. If a Form 470 is filed on or before the filing deadline for the first pre-election campaign statement, no additional campaign statement need be filed in connection with the election, so long as total receipts/expenditures remain less than $2,000.

State and judicial candidates must file the original and one copy with the Secretary of State and one copy with the candidate’s county of domicile’s Elections Official. Local candidates must file an original and one copy with the County Elections Official or the City Clerk.

Form 470 Supplement
If an officeholder or candidate files the Form 470 for an election year and later receives contributions (including monetary and nonmonetary contributions, loans, and the candidate’s personal funds) totaling $2,000 or more or makes expenditures totaling $2,000 or more during the same calendar year, the officeholder or candidate must send a written notice within 48 hours. Use the Form 470 Supplement or follow the instructions on the form for preparing the notice. The notice must be sent by guaranteed overnight delivery service, personal delivery, fax or email to the Secretary of State, the local filing officer, and to each candidate seeking the same office. Regular mail may not be used. Contact your filing officer for candidate addresses.

Form 496 — 24-hour/10-day Independent Expenditure Report
The Form 496 is filed by committees that make independent expenditures whose combined total is $1,000 or more to support or oppose a single candidate for elective office, or a single ballot measure. File the Form 496 within 24-hours of making the expenditure during the 90 days immediately preceding the election. The Form 496 is due within 10 business days when a recipient committee makes independent expenditures totaling $5,000 or more to support or oppose the qualification or passage of a single ballot measure outside the 90-day election cycle.

State committees file Form 496 electronically with the Secretary of State. No paper copies are required, and no copies are required to be filed with other filing officers. Local candidates file Form 496 with the County Elections Officials or the City Clerk by fax, guaranteed overnight delivery, personal delivery or email. Regular mail may not be used. A local ordinance also may require this form to be filed electronically. Candidates and committees involved in San Mateo County elections may (but are not required to) file their Campaign Finance Disclosure Statements electronically with the Registration & Elections Division using the County’s electronic filing system NetFile.

Form 497 — 24-hour/10-day Contribution Report
The Form 497 is filed by state and local committees making or receiving contribution(s) whose combined total is $1,000 or more in the 90 days before or on the date of an election, committees reporting contributions of $5,000 or more in connection with a state ballot measure, and state candidates as well as state ballot measure committees that receive $5,000 or more at any time other than a 90-day election cycle.

State committees file this form electronically with the Secretary of State. Local committees file Form 497 with the County Elections Official or the City Clerk by fax, guaranteed overnight delivery service, personal delivery or email. Some jurisdictions require electronic submissions. Check with your local elections office. Candidates and committees involved in San Mateo County elections may (but are not required to) file their Campaign Finance Disclosure Statements electronically with the Registration & Elections Division using the County’s electronic filing system NetFile.

Additional Notes:

• **Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

• **Deadlines:** Due to the election being held early in the year, the deadline for the first pre-election statement for calendar year 2024 is earlier than the deadline for the semi-annual statement for calendar year 2023. A candidate/committee active in both calendar years may file the 2023 statement on January 25, 2024.

• **Paper Filings:** All paper filings may be filed by first-class mail or by email with a verified digital signature unless otherwise noted. Persons required to file a report or statement by paper with the Secretary of State’s Office may instead file by email (digitalfiling@sos.ca.gov) with a verified digital signature or other digital means as prescribed by the Secretary of State’s Office. Please visit the Secretary of State’s website for more information on how to file with a digital signature. Refer to the filing with a digital signature fact sheet for assistance in creating your digital ID.

• **E-Filer:** A state committee that has received contributions or made expenditures totaling $25,000 or more.

• **Form 460:** All state committees, including e-filers, must also file paper copies.***

If the candidate raises or spends $2,000 or more later during the calendar year, a Form 470 Supplement and a Form 410 must be filed.

• **Forms 496 and Form 497:** All reports filed online only.

• **Independent Expenditures:** Committees making independent expenditures totaling $1,000 or more to support or oppose other candidates or ballot measures also file:
  - **Form 496:** This form is due within 24 hours if made in the 90-day, 24-hour reporting period of the candidate’s or measure’s election. Refer to the applicable filing schedule. Form 496 is filed with the filing officer in the jurisdiction of the affected candidate or measure.

Candidates seeking a state office and committees that make contributions to state candidates are subject to contribution limits from a single source. (Sections 85301 - 85303.) Contributions from affiliated entities are aggregated for purposes of the limits.  (Regulation 18215.1.) The chart below shows the current limits per contributor for state offices and city and county candidates when the city or county does not have laws addressing a contribution limit on such candidates. The primary, general, special, and special run-off elections are considered separate elections. Contribution limits to candidates apply to each election. Contribution limits to officeholder and other committees apply on a calendar year basis. Contact your city or county about contribution limits for local offices. California State Contribution Limits (Continued)  
(Effective January 1, 2023 – December 31, 2024)

The contribution limits are effective for elections held between January 1, 2023 and December 31, 2024.  (Regulation 18545.)  These limits do not apply to contributions made to elections in previous years.  Such contributions are subject to the limits in place for that year; see previous charts.

Legal Defense Funds
Contributions raised for a legal defense fund are not subject to contribution limits or the voluntary expenditure ceiling.  However, a candidate or officeholder may raise, in total, no more than is reasonably necessary to cover attorney’s fees and other legal costs related to the proceeding for which the fund is created.  (Section 85304; Regulation 18530.4.)

Recall Elections
A state officeholder and city or county officeholder subject to Section 85301 (d) who is the subject of a recall may set up a separate committee to oppose the qualification of the recall measure and, if the recall petition qualifies, the recall election.  Neither contribution limits nor voluntary expenditure ceilings apply to the committee to oppose the recall that is controlled by the officeholder who is the target of the recall attempt.  Candidates running to replace an officeholder who is the target of a recall are subject to the contribution limits and the expenditure limits applicable to the election for that office.  (Section 85315; Regulation 18531.5.)

Ballot Measure Committees
Contributions to ballot measure committees controlled by a candidate for elective state office or a candidate for elective city or county office subject to Section 85301 (d) are not limited.

Contributions from State Candidates and Candidates subject to Section 85301 (d)
A state candidate or candidate for elective city or county office subject to Section 85301 (d) may not contribute more than $5,500 to a committee controlled by another state candidate or candidate for elective city or county office subject to Section 85301 (d) (This limit applies on a per election basis and includes, in the aggregate, contributions made from the candidate’s personal funds and from campaign funds.  (Section 85305; Regulation 18535.)  This limit does not apply to a committee controlled by a state candidate or a committee controlled by a candidate for elective city or county office subject to Section 85301 (d) to oppose their recall or their contributions made to a legal defense fund established by a candidate for elective state office or candidate for elective city or county office subject to Section 85301 (d).  It also does not apply to contributions made by a candidate for elective state office or a candidate for elective city or county office subject to Section 85301 (d) to a ballot measure committee controlled by another state candidate or candidate for elective city or county office subject to Section 85301 (d).  Please note there are certain rules applicable to use of funds held by state officeholder committees.  (See Regulation 18531.62.)

Communications Identifying State Candidates
Any committee that makes a payment or a promise of payment totaling $50,000 or more for a communication that:

1.  Clearly identifies a state candidate; but
2.  Does not expressly advocate the election or defeat of the candidate; and
3.  Is disseminated, broadcast, or otherwise published within 45 days of an election, may not receive a contribution from any single source of more than $45,500 in a calendar year if the communication is made at the behest of the candidate featured in the communication.  (Section 85310.)

Officeholder Committees
Officeholder contributions must be cumulated (in full) with any other contributions from the same contributor(s) for any other future elective state office or elective city or county office subject to Section 85301 (d) for which the officeholder maintains a controlled committee during the term of office in which the contribution is received.  Contributions to candidates for future elections and to their officeholder account are cumulated for purposes of contribution limits.  (Regulation 18531.62.)

Contributions from State Lobbyists
A state lobbyist may not contribute to a state officeholder’s or candidate’s committee if the lobbyist is registered to lobby the agency of the elected officer or the agency to which the candidate is seeking election.  The lobbyist also may not contribute to a local committee controlled by any such state candidate.  (Section 85702; Regulation 18572.)  In addition, effective January 1, 2015, lobbyists and lobbying firms may no longer take advantage of the $500 or less home/office fundraiser exception that is available to other individuals and entities.  (Section 82015(f.).)

Local Elections
Many cities and counties have local contribution limits and other election rules.  “Local Campaign Ordinances” are listed on the FPPC’s website.  Check with your city or county about contribution limits for local elections.  A State campaign contribution limit will by default apply to city and county candidates when the city or county does not have laws addressing a contribution limit on such candidates.

1. While a proceeding involving a license, permit, or other entitlement for use is pending, and for 12 months following the date a final decision is rendered in the proceeding, an officer of an agency shall not accept, solicit, or direct a contribution of more than two hundred fifty dollars ($250) from any party or a party's agent, or from any participant or a participant's agent if the officer knows or has reason to know that the participant has a financial interest, as that term is used in Article 1 (commencing with Section 87100 of Chapter 7 [of the Government Code]). This prohibition shall apply regardless of whether the officer accepts, solicits, or directs the contribution on the officer's own behalf, or on behalf of any other officer, or on behalf of any candidate for office or on behalf of any committee.

2. Prior to rendering any decision in a proceeding involving a license, permit, or other entitlement for use pending before an agency, each officer of the agency who received a contribution within the preceding 12 months in an amount of more than two hundred fifty dollars ($250) from a party or from any participant shall disclose that fact on the record of the proceeding. An officer of an agency shall not make, participate in making, or in any way attempt to use the officer's official position to influence the decision in a proceeding involving a license, permit, or other entitlement for use pending before the agency if the officer has willfully or knowingly received a contribution in an amount of more than two hundred fifty dollars ($250) within the preceding 12 months from a party or a party's agent, or from any participant or a participant's agent if the officer knows or has reason to know that the participant has a financial interest in the decision, as that term is described with respect to public officials in Article 1 (commencing with Section 87100 of Chapter 7 [of the Government Code]).

(d)(1) If an officer receives a contribution which would otherwise require disqualification under this section, and returns the contribution within 30 days from the time the officer knows, or should have known, about the contribution and the proceeding involving a license, permit, or other entitlement for use, the officer shall be permitted to participate in the proceeding.

(2)(A) Subject to subparagraph (B), if an officer accepts, solicits, or directs a contribution of more than two hundred fifty dollars ($250) during the 12 months after the date a final decision is rendered in the proceeding in violation of subdivision (b), the officer may cure the violation by returning the contribution, or the portion of the contribution in excess of two hundred fifty dollars ($250), within 14 days of accepting, soliciting, or directing the contribution, whichever comes latest.

(B) An officer may cure a violation as specified in subparagraph (A) only if the officer did not knowingly and willfully accept, solicit, or direct the prohibited contribution.

(C) An officer's controlled committee, or the officer if no controlled committee exists, shall maintain records of curing any violation pursuant to this paragraph.

(e)(1) A party to a proceeding before an agency involving a license, permit, or other entitlement for use shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars ($250) made within the preceding 12 months by the party or the party's agent.
(2) A party, or agent to a party, to a proceeding involving a license, permit, or other entitlement for use pending before any agency or a participant, or agent to a participant, in the proceeding shall not make a contribution of more than two hundred fifty dollars ($250) to any officer of that agency during the proceeding and for 12 months following the date a final decision is rendered by the agency in the proceeding.

(3) When a closed corporation is a party to, or a participant in, a proceeding involving a license, permit, or other entitlement for use pending before an agency, the majority shareholder is subject to the disclosure and prohibition requirements specified in this section.

(f) This section shall not be construed to imply that any contribution subject to being reported under this title shall not be so reported.

Fall 2023 to Spring 2024

Dear Candidate:

Every campaign season our office receives a number of calls from property owners complaining of uninvited campaign signs being placed on private property. This letter serves as a reminder of California Penal Code Section 556.1, which requires the property owner's prior consent for such advertising activity:

It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.

Also, I am enclosing copies of letters from the Department of Transportation describing current regulations for the placement of political signs. For your convenience, you will also find a listing of City Clerks within San Mateo County, whom you may contact about specific city ordinances.

I request that you review these materials, and that you inform anyone who is posting materials on your behalf of these requirements.

Thank you in advance for your attention to this important matter.

Sincerely,

Mark Church

California Voter’s Choice Act

Overview
San Mateo County’s March 5, 2024 Presidential Primary Election will be conducted under the California Voter’s Choice Act. The California Voter’s Choice Act, was enacted to increase voter participation, enlist public engagement and expand voting options for all voters. The law fundamentally changed the manner in which elections are conducted by establishing a Mailed Ballot/Vote Center election model, utilizing Vote Centers and Ballot Drop Boxes strategically placed throughout the County.

Voting Options
Under the Voter’s Choice Act, all voters will be mailed a ballot 29 days before the election with a postage-paid envelope to return the ballot. Voters will be able to cast their ballots by choosing one of four methods:

Vote by Mail
You can vote and mail your ballot in the postage-paid return envelope on or before Election Day.

Drop off Your Voted Ballot at a Ballot Drop Box Location
You can vote and return your ballot into a secure Ballot Drop Box. Ballot Drop Boxes will be located throughout San Mateo County starting 28 days before the election.

Vote in Person
Vote Centers look and feel like polling places, but provide additional services and options for voters. You can go to any Vote Center in San Mateo County to:

- Vote on an accessible voting tablet
- Vote on a paper ballot
- Access multilingual election materials and receive assistance from English, Spanish, Chinese, Filipino, Burmese, Hindi, Japanese and Korean speaking staff
- Drop off your ballot
- Receive a replacement ballot
- Register to vote or update registration information through Election Day

Vote Centers will be located throughout San Mateo County:

- Three Vote Centers will be open 29 days before the election
- An additional six Vote Centers will be open 10 days before the election and an additional 36 Vote Centers will be open three days before the election for at least 8 hours daily.
- All Vote Centers will be open on Election Day from 7 a.m. to 8 p.m.

Remote Accessible Vote by Mail (RAVBM) System
Voters can access and mark a ballot in a screen-readable format from their own computer. Internet access and a printer are also required. Ballots must be printed and returned by mail, deposited in a Drop Box or dropped off at a Vote Center.

EC §4005
Election Day

Vote Centers are open from 7 a.m. to 8 p.m. on Election Day.

Election Day Observing
The Registration & Elections Division has procedures in place for election observers at the Vote Centers. It is important that activities at the Vote Centers are organized, operationally smooth and hassle-free for both the voters and the Vote Center Representatives.

- Observers are welcome to watch all proceedings at the polls, including Vote Center Representatives while opening up the polls, citizens preparing to vote, and, more commonly, to observe the closing activities.

- Observers have the right to raise questions to the Vote Center Representatives, and may direct their questions about procedures to the Lead Vote Center Representative, or in the absence of the Lead, to other Vote Center Representatives who are in charge.

- Observers may not go near a voting booth while occupied and may not approach voters during the voting process. Observers may talk to voters outside the Vote Center, beyond the "no-electioneering zone."

- Observers may not directly challenge a voter. Election law provides that only the Elections Official, and/or Vote Center Representative holds the right to challenge a particular vote.

- Observers may not interfere in any way with the voting process.

Election Night Results: Semi-Official and Official Canvass
The semi-official canvass will commence immediately upon the close of the polls at 8 p.m., March 5, 2024. Votes are cumulated at the secure, central counting location within the Registration & Elections Division at 40 Tower Road, San Mateo, CA 94402.

EC §15150

Generally, the election night results will be released as follows:

- **8:10 p.m.:** Vote by Mail Ballots Only

- **9 p.m.:** All Vote Center Votes (*Updated every 1 hour*)

There are two different ways you may obtain Election Night Semi-Official results:

- Subscribe to emailed reports, via subscription form posted on [www.smcacre.org](http://www.smcacre.org) one week prior to the election
Final Official Canvass
The purpose of the Official Canvass is to thoroughly audit, account for and validate every ballot and vote cast in the election, so that the Elections Official may derive and certify the final vote counts. This process tests the accuracy and validity of partial vote counts derived in the Semi-Official Canvass and goes beyond those preliminary processes to validate and count additional Vote by Mail ballots, provisional ballots and write-in votes, and to account for unused and damaged paper ballots. EC §15300-15360

During the Official Canvass, any interested person may choose to observe the Registration & Elections Division procedures. To observe this process, please feel free to contact 650.312.5222 or visit the office during normal business hours, Monday through Friday, from 8 a.m. to 5 p.m.
