REBUTTAL TO ARGUMENT OPPOSED TO MEASURE C
Jefferson Elementary School District

The author of the argument against Measure C is not a member of our community and doesn't understand our local schools or the needs facing our District. They write the same argument against every school district in the county, just changing the name to suit their purposes. 3

Those of us who live, work, and send our children to JESD schools truly understand the needs facing our community. 5

That's why when you consider the FACTS, voting Yes on C is the obvious choice for JESD kids. 2

FACT: By law, every penny from Measure C must stay in our community to maintain quality education in JESD schools. No funds can be taken away by the State. 14

FACT: Renewing Measure C protects our local schools, ensuring our students receive the same opportunities as others in the region. Research shows having qualified teachers in the classroom is the most important element in determining student success. 1

FACT: We need Measure C. Not only will it prevent painful layoffs, but it will help ensure our teachers don't leave for higher paying districts. Keeping skilled, experienced, and dedicated teachers in JESD schools is imperative to protecting quality education. 2

FACT: Good schools maintain our quality of life and protect the value of our homes - keeping property values strong. 4

FACT: Measure C requires Citizens' oversight and audits to ensure funds are used in our schools - on community/local priorities. 6

Join local business owners, parents, and community members and vote Yes for Children, Yes on C! 4
