Ballot Measure Rebuttal Argument Submission Form

If both an argument in favor of and an argument against a measure have been selected for publication in the Sample Ballot & Official Voter Information Pamphlet, a typed rebuttal to the argument in favor of or the argument against the measure may be submitted as outlined in this form.

The author(s) of the primary argument of the measure may prepare and submit a rebuttal argument or may authorize in writing any other person or persons to prepare, submit or sign the rebuttal argument.

A rebuttal argument will not be accepted unless accompanied by this completed form, which shall contain the printed name(s) and signature(s) of the person(s) submitting it or, if submitted on behalf of a bona fide association of citizens, the name of the association and the printed name and signature of at least one of its principal officers. Please make sure you are using proper format before submitting to the Elections Office.

REBUTTAL to the Argument Against Measure H

Don’t be deceived by our opponents inaccurate and misleading statements. They have made it their mission to oppose every school measure on the San Mateo County ballot. Measure H is absolutely needed, and a sound investment in our public schools. 

Here are the facts:

FACT: Measure H is about one thing – protecting the quality of education in San Carlos School District schools.

FACT: Safe, modern school facilities are essential to maintaining the quality of education in our schools. There’s a direct relationship between quality school facilities and student achievement.

FACT: San Carlos School District is among the highest achieving districts in the state despite having schools that are 50-60+ years old. Classrooms built in the 1960s are outdated, have limited electrical capacity, deteriorated roofs/plumbing and safety systems need upgrading.

FACT: SCSD is one of a handful of districts statewide in which achievement levels for all students in English Language Arts/Mathematics have exceeded levels achieved in 2018-19 (pre-pandemic). Test scores are above state standards/exceeding benchmarks for excellence. CASchoolDashboard.org

FACT: In 2012 our community generously supported a school improvement measure. That funding renovated/upgraded science and computer labs, libraries, classrooms, just to name a few – but there is still more work to be done, especially in our elementary schools.

FACT: Measure H requires a clear system of accountability, including a project list detailing exactly how the funds will be used, a Citizens’ Oversight Committee, and independent audits to ensure funds are spent properly. No bond monies will be used to pay administrator salaries/pensions.

VOTE YES on H!
