Argument in Favor of Measure __

Vote Yes on Measure __ to renew stable, local education funding that will protect 14
excellent academic programs and retain qualified teachers in Pacifica School District 9
schools without raising taxes by a single penny. 8

Although our local elementary and middle schools are a source of community pride here 14
in Pacifica, the fact remains that they are among the lowest funded in San Mateo 14
County. 0

Measure __ provides a dedicated source of local funding to protect vital keys to student 15
success. Strong core academics, skilled teachers and innovative science, technology, 10
engineering and math programs all ensure that local students are prepared to excel in 14
high school, college and the 21st-century workforce. Without Measure __, Pacifica 12
School District schools will have to cut critical educational programs like these. 10

Measure __ continues the community tradition of supporting our elementary and 11
middle schools with locally controlled funding that cannot be taken away by the state. 14

Vote Yes on __: Prepare Elementary and Middle School Students for Future Success 17

- Enhance core academic programs like math, science, history, reading and writing 11
- Support outstanding art, music and electives critical to a well-rounded education 12
- Attract and retain qualified teachers 5
- Maintain classroom computer and technology instruction 6
- Strengthen school library programs 4
- Maintain programs to support struggling students 6

Measure __ Is Fiscally Accountable and Does Not Increase Taxes 10

- Every penny benefits local schools and is locally controlled; nothing can be taken 13
by the state 3
- No money can be used for administrators' salaries 7
- An independent Citizens' Oversight Committee ensures funds are spent 9
responsibly 1
- Homeowners 65 and older continue to be eligible for an exemption 11

Our local elementary and middle schools are an integral part of Pacifica. Please join 14
parents, teachers and community leaders in supporting the future success of local 12
Pacifica School District students and protecting quality education in our neighborhood 7
schools without raising taxes — vote Yes on __. 8
