Primary Argument Signers Form

Each signer must designate in which capacity they are signing. Check the one box that applies.

No more than five signatures shall appear with any argument. If more than five signatures are submitted, the first five listed shall be printed.

Names and titles listed will be printed in the order that they are listed below.

If the signers are part of a bona fide association/organization, there is no requirement that they be eligible to vote on the measure. However, for each such signing individual(s), the title under the signer's name shall list the name of that bona fide association/organization and may include their position within that association/organization.

By signing below, the undersigned state that they have read the argument and believe it not to be false or misleading.

Argument in Favor of Measure __

Vote Yes on Measure __ to repair aging classrooms and labs so that Burlingame students are prepared to excel in the modern world. 13+1
9

Burlingame School District provides an exceptional education for local elementary and middle school students, yet outdated schools — some of which are over 100 years old — are in serious need of repair. 9
14
6

Measure __ provides dedicated, locally controlled funding to support a safe and modern learning environment for local students. Voting Yes on __ will replace deteriorating classrooms and old portables so that teachers can focus on providing students with excellent instruction in core academics like math, science, reading and writing. 12+1
11+1
13
11

We need Measure __ to prepare our students for success in high school, college and beyond. Updated computers and classroom technology will ensure our students take the next step ready to compete for high-demand jobs in science, technology and engineering. 14+1

Yes on __ — Necessary Repairs for Modern Burlingame Schools 8

- Repair classrooms to provide access for students with disabilities 9
- Fix leaking roofs and remove lead and asbestos where found 10
- Update classrooms, libraries and educational facilities to meet current earthquake, fire and safety codes 14
- Protect student safety and security by creating single point entries at all schools 13
- Ensure hands-on science, technology and engineering labs are up to the same 21st-century standards 12
3

Every Penny Stays Here in Burlingame 6

- All money raised will be controlled locally to support local elementary and middle schools and cannot be taken away by the State 12
10
- Independent citizen oversight and annual audits are required 6
- No money can be used for administrator salaries 8

While some of our schools have been renovated recently, others have not, and all local students deserve equal access to safe and up to date classrooms. Join us in voting Yes on __ — modern Burlingame schools equipped for 21st-century student success. 15
