Measure R Rebuttal *to Argument in Favor*

We join the ENTIRE Burlingame City Council in urging a NO vote on Measure R. 12

Burlingame officials are meaningfully addressing local housing needs including: 9

- Encouraging homeowners to update existing detached in-law units to increase rental supply 12
- Approving 140 affordable senior and workforce apartments on city lots 10
- Updating our zoning to thoughtfully increase housing supply in locations such as Rollins Road and Downtown Burlingame 13
- Supporting San Mateo Union High School District in developing new teacher housing 7

Measure R repeals over thirty years of voter approved real estate and home protections including the right for homeowners to establish sale and rental pricing. 13

Problems with Measure R include: 4

- **Regulating** nearly all single family home, condominium, apartment and hotel rentals 11
- Adding significant red-tape and fees for most rentals 9
- Discouraging property owners who want to perform maintenance and safety upgrades 11
- Declining property values that impact schools and neighborhood safety 9
- Allowing subleasing while prohibiting owners from completing background checks on new tenants 11
- Permitting wealthy people to occupy below-market units for decades as newcomers struggle to find affordable housing 12

Measure R is badly flawed public policy with no fiscal accountability and places our city's safety and financial stability at risk. Measure R creates a nonelected and unaccountable Rental Housing Commission with the power to tax and direct funds from the Burlingame general account and capital reserves. Additionally, the city would be forced to spend an unspecified amount to defend this poorly written, ambiguous ordinance. 15

This is a boondoggle for lawyers and does not create new affordable housing options. 12

Please join your neighbors and VOTE NO on Measure R. 9
