

IMPARTIAL ANALYSIS OF MEASURE X

The Board of Trustees of the San Bruno Park School District (District) proposes to adopt a special parcel tax to support various educational purposes, as outlined below. If this Measure is approved by voters, an annual tax of \$68 per parcel would be imposed for a period of eight years starting on July 1, 2025 and ending on June 30, 2033. The tax is estimated to raise \$730,000 each year. [59]

The proposed parcel tax applies to any unit of real property wholly or partially in the District that receives a separate property tax bill from the San Mateo County tax collection officials. Any individual who owns and occupies a parcel as a principal residence may apply for an exemption from the tax if they also: (1) are age 65 years or older; (2) receive Supplemental Security Income for a disability regardless of age; or (3) receive Social Security Disability Insurance benefits, regardless of age, and have an annual income not exceeding 250% of the 2012 federal poverty guidelines. [91]

The stated purposes of the proposed parcel tax are to: [10]

- Provide high quality programs in science, technology, engineering, and math;
- Attract and retain qualified teachers; and
- Keep technology and instructional materials up-to-date. [24]

No funds from the tax will be spent on administrative salaries or benefits. [13]

The proceeds of the parcel tax will be placed in a special account. An annual report accounting for parcel tax revenues collected and expended and the status of projects or programs funded by the tax will be filed with the Board of Trustees. An independent citizen’s oversight committee will be appointed to review the expenditures of the parcel tax. [56]

The tax will be decreased if any increase in local, state, or federal funding is put in jeopardy based on the existence of the tax. The District’s appropriations limit shall be increased annually if necessary to ensure the revenue from the tax may be spent for the listed purposes. [49]

A “yes” vote on this Measure would impose on property within the District an annual parcel tax of \$68 for eight years beginning July 1, 2025, for the purposes listed above. [29]

A “no” vote on this Measure would not allow the parcel tax to be levied. [15]

This Measure passes if at least two-thirds of those voting on the Measure vote “yes”. [15]
