**Belmont-Redwood Shores School District
Rebuttal to Argument Against MEASURE P**

Don't be misled by the author of the argument against Measure P. He doesn't live in our District, know our schools, or understand our Community.

We live, work, and send our children to our neighborhood schools and we know the facts.

Fact: Voting Yes on Measure P provides locally controlled funding to ensure **ALL our students** have access to safe and modern schools.

Fact: Experts worked with our District to identify critical needs at our neighborhood schools to meet current safety and education standards. You can review the Facilities Master Plan on the Belmont-Redwood Shores School District website: <https://www.brssd.org/facilities-master-plan>.

Fact: The significant upgrades and improvements needed at our schools are beyond what the District's regular budget can accomplish, and the State provides very limited funding for school improvements.

Fact: Measure P will protect our tradition of academic excellence and ensure students continue receiving high-quality education by updating technology infrastructure for science, engineering, arts and math classrooms and labs.

Fact: Strong neighborhood schools help keep our property values and community strong.

Fact: Our District has been a responsible steward of taxpayer dollars over the years and Measure P will be no different. All funds are controlled locally for our elementary and middle schools only – the State cannot take one dollar. A project list is included in your voter guide. Independent citizen oversight and annual audits are required.

Join your community and Vote YES on P to give our local students the high-quality education they deserve!
